Judge Raccuglia, I have court on 8-8-18, Downtown.

I'm in need of a bond forfeiture, ankle bracelet, or to leave on time served. The wrong OP was rendered when asked about risk factor. Bond was automatically raised due to child, but 7-2-18 OP, there was no child included in that OP which this court hearing is about. Im unable to contact public defender. Im having a tough time in here. They are mistreating / disrespecting me. Im allergic to all their food and am suffering severely Internally Please Help. Since defender won't help, I need to be able to produce paperwork elsewhere on my own. I can't get defender to meet with me and need to represent myself.
